**** All meals include choice of one: white milk, chocolate milk, cookies & cream milk, or juice. On occasion, substitutions may need to be made for side items, but the main entrée should always be available. The student has the choice of two side items daily. If a student doesn't like one of the side items, they can get a double portion of the other side item offered that day. (The exception is on Domino's Cheese Pizza Day.) Choice of two vegetables and two fruits will be offered daily for the student to choose from. Salad will be available on a regular basis.**

APRIL LUNCH MENU
